Mohamed Farah Djeloud

An Algerian Prodigy

Mohamed Farah Djeloud is a 7 years old boy from Algeria. He is a second year primary school pupil.

Mohamed's main interest is reading. He began this habit thanks to his family who encouraged him. He read some 50 books and summarized books about Arab literature, history and biographies. His favorite book is " The Cave Man and the Stone Age". He is also keen on Karate.

Mohamed is an imaginative and active boy. He is also smart and quick to understand and analyse books. His dream is to be a great scholar , like Cheikh Abdulhamid Ibn Badis.

In conclusion, reading can be an enriching activity for children, teenagers or adults. It is also necessary for the development of many nations.
