-The text:

Taj Mahal is one of the best and most famous mausoleums in the world. It is located on the banks of River Yamuna at Agra, India. It was built by Emperor Shah Johan in 1631 in memory of his wife Mumtaz Mahal. He took more than seventeen years to complete this splendid edifice in memory of his beloved queen. The name "Taj Mahal" means "crown of palace". It is one of the most beautiful buildings in the world. It is made of white marble and surrounded by beautiful gardens and fountains. The full height of Taj Mahal is 171 Meters and the main attractive feature is the central dome. It has a height of 73 meters, surrounded by four smaller domes and four minarets at each corner. The Taj Mahal is considered as one of the seven wonders of the world. Many tourists come to see this beautiful structure from different parts of the world.
