Text

My name's Leo. I'm fourteen. I live in Bristol with my parents, my brother Toby who is twelve and my sister Susan, aged eight. I share my room with Toby and I hate doing that. We often argue because we have got different personalities. He is lazy, messy and noisy but I'm hardworking and ambitious. I'm fond of documentaries but he prefers watching cartoons. He loves watching football but I hate it. I enjoy being with Susan because she is quite and helpful. She often helps my mum with the housework. She is crazy about dogs but she can't have one because we live in a small flat.

Hello (friend's name)

I'm 13 years old. I live in Algiers with my parents and my brother. I love him very much because we share the same interests.

We are fond of videogames. We can play for hours and never get bored. We can't play musical instruments, it is difficult. We are also interested in sports. He plays football every Tuesday afternoon and I play basketball at weekends.

My brother is quite and patient but I'm noisy and messy.

(your name)

Good luck☺
