Class: 2MS *Duration: 1 hour and a half*

Second term English exam

Hadja Fatima is an old woman who lives in a small and beautiful house in Laghouat. Her neighbours love her because she is very kind and generous.

Today, Hadja Fatima is going to cook ***couscous*** because she has guests for lunch. So, she sends her son to the open supermarket known as "Rahbet Azzitoune". First, he is going to the grocer to buy 2Kgs of potatoes, (1Kg of carrots, onions, courgettes, turnips), 3slices of pumpkin, a tin of tomato purée and about 250g of chickpeas.

As for the dessert, she asks him to bring 2Kgs of oranges, bananas, apples and dates. Then, he goes to the butcher for 2kilos of lamb leg and one chicken.

The guests are very lucky to taste that delicious couscous of Hadja Fatima.
