The Second English Test of the First Term

I read the text then I do the activities.

TEXT:

I always think of the time when I used to live on a farm and in winter especially we were cut off from the outside world. Life used to be very simple for me.

*I used to go to the nearest school. Father used to work in the fields and mother used to help him. **She** worked indoors and outdoors. I used to collect wood and feed the domestic animals and my sisters used to fetch water and help in the house chores.*

*There didn't use to be many free time activities. We used to listen to the radio and in the evening, all the family used to sit by the fire in a big room **where** we told tales or discuss.*

In summer, we didn't use to have a refrigerator; we used to drink fresh and tasty water from the pottery jars made of clay. My grandma used to make and decorate them. And we used to eat fresh vegetables that father grew.

Now, I am in the city. I live in a small flat. I buy food from the supermarket. The streets seem to be smaller because of the traffic and the air is polluted. I get stressed and I dream of the time when I will be on holidays to be able to leave home and escape to the countryside.
