THE SECOND TERM TEST n=°2

June 30th,

Dear friend,

Thank you for your letter and your photo. You look very nice! Summer is here. I'm so happy! I got my school-report. I did quite enough; at least that's what my parents say. My best mark is in Science. Really, I'm fond of this subject.

In the fall, I'll go to High School. In America, children go to school in one building from kindergarten to fifth grade. Then, they go to Junior High School for sixth, seventh and eighth grade. Then, they go to High School for ninth, tenth, eleventh and twelfth grade. After that, they go to college or university. What do you think you'll be when you get older? I think I'll be a science researcher.

How long is your summer break? We get about two months here, in the USA. What are you going to do in the summer? I'm going to the beach and in August, I'm going on a tour of Northern California. I'll send you some postcards from there, OK?

Will you send me some from the place where you spend summer vacation, please? Thank you. Enjoy your summer!

Love,
Angelina.
