Text

Hello, I am Djellad Mohammed, a 32 years old Algerian man. I live in Relizane but I teach in Mostaganem exactly in Bouguirate. I am calm, kind, funny and helpful. I like drawing, writing and teaching.

I still remember my first day I went to primary school; it was one of my best memories. My dad took me and I was so scared that day. I was 6 years old and I did not want to go because I was lonely and I did not know anyone there; but few days later I met some best friends. At primary school I had a beautiful teacher. She was very kind and lovely.

I have not forgotten also my beautiful days at middle school. I was very excited, we had different teachers for different subjects and my favourite subjects were: Art, English and French. I loved my English Teacher Mr. Benouda Tahar and he was my favourite because he cared and looked-after me. He used to help and encourage me a lot when I could not speak in the class. He told me:" Djellad, go-on with good work but never give-up, one day you will be a famous teacher". Mr. Benouda was helpful, cool and respectful. I have enjoyed and loved his classes as he used to teach us well and play for us videos and songs. My dream was to become a successful teacher like Mr.Benouda. Unlike many of my friends, I have become a teacher of English and I teach now at Beladjel Middle School in Bouguirate and I love my pupils a lot.
