Text :

Hi, friend!

Last spring holidays, I went to London with my father. We flew with British airways. We stayed for two weeks. It rained for three days but the other days, it was cool and sunny. We stayed in a comfortable hotel.

During the day, we walked around the city. We saw all the famous places like Buckingham palace, the residence of the queen, London eye, the Tower Bridge and Big Ben. We had a river boat tour through the Thames. It was wonderful.

At night, we went to traditional restaurants and had British specialities.

We also did some shopping in Selfridge shops. Prices are a bit expensive there. We really enjoyed our trip to London. We only had one problem. People speak too rapidly and it was hard to understand them easily.

How about you? Where did you spend your last holidays?

Yours,

Pedro
