اختبار في مادة اللغة الانجليزية – رابعة متوسط — المدة : ساعة ونصف

Text:

During the holy month of Ramadan, as a Muslim teenager, I was inspired to do something. meaningful that could make a positive change in my community. I decided to organize a charity drive to help those in need, which would also allow me to achieve my religious obligation of giving back to society.

I collaborated with a local mosque to collect donations such as food, clothing, and money from community members. We then distributed these items to poor families, homeless shelters, and local charities. The act of giving during Ramadan is believed to be especially rewarding, as it raises a sense of compassion and empathy towards those in need.

This experience was truly rewarding for me, as I was able to see the impact that our small. contributions can make in the lives of others. It also allowed me to connect with my community in a meaningful way and strengthened my faith in the importance of charity work. I hope to continue to organize similar initiatives in the future and encourage others to do the same.
