Time :01h30	Final English Exam
Level : 1AM	June : 2014

Dear Samir,

We are having fantastic holidays in Jijel. People often visit it in summer for its beaches, but we are visiting it before. It is very attractive in spring, too. Today, we are visiting the natural park. It is warm and sunny. Some children are playing football. A family is having lunch under a tree.

Karim is taking photos of the different plants for his project of biology. A guide is showing Yacine the places of interest in this region of Algeria.

Guides always show interesting places to visitors. Yacine is writing notes down. As you know, he never keeps things in his mind.

See you next week
