Dear Sara,

I've received **your** e-mail. I want to introduce myself, my family and talk to you about Country. (1§)

My name is Soujoud. I am the fourth child of a family of seven brothers and sisters. In Algeria, there are many children in most of the families. This year is my last year in the secondary school, so I have to work hard in order to succeed and go to the university. (2§)

I spend most of the time revising my lessons and looking for articles that concern my studies on the web.Every day, I get up early and prepare myself to a new day of studies. After school I need to relax at home for an hour before **I** start the review. But at weekends I often go to the stadium to watch a football match. (3§)

I live with my family in a small town 250 km east of the capital Algiers that is by the sea. The south of Algeria is famous for its dates called « Nour dates », traditional carpets and the soil resources such as oil and gas. (4§)
