Text :

Memories have been an important part of my life, much like everyone else. We remember the happiest days **which** have gone by and the saddest ones as well. One of the best memories in life is school time. In fact, it is a remarkable phase in the lives of many.

My school days were unforgettable journey which will remain in my heart and soul forever. They even became a wonderful chapter in my life as I earned friends who remained so for my entire lifetime.

The first and last days of our school life were the most memorable days. I entered my school crying and even while I was leaving, I had the same tears in my eyes. The joy, school life has given, is surely countless and will last in my memory.

Indeed, one of the greatest things of my school was the teachers who made this journey memorable. **They** helped me when I was down and elevated me when I was up. Moreover, they motivated and pushed me to achieve my goals. Thanks to them, I became what I am today.
