"My Ideal Teacher"

Hello! My name is Wassim. I'm a pupil at EL-MEHDI Mohamed Middle School-Hessainia 2. I belong to 4 M.S 1 class. I like my school because it has many wonderful teachers and different clubs like "The Green club" and "Sifar Club" which were created by Mr. Redhouane CHERIF. I like biology and I'm keen on studying it under the guidance of my ideal teacher, Redhouane, who is one of the best teachers ever.

Mr. CHERIF was born in 1983 in Larbaa, his hometown. He was an intelligent pupil since he learned and memorized the Quran at an early age. He has beautiful childhood memories like hiking in the mountains and practicing Karate. My teacher Redhouane has liked biology and sea animals since childhood. Before he became a teacher, he was a marine officer, so he realized his dream career and graduated from Cherchell military academy. Mr. CHERIF worked as an officer aboard ships for years. Therefore, he sailed to many countries and made many friends. While he was doing his job as a marine, he taught many foreign friends the Arabic Language. Then, he left the marine forces and studied at Kouba university in order to become a teacher of biology. Mr. Redhouane's hobby is photography, he takes many special photos of nature and posts them on his Facebook page.

My ideal teacher never refuses to help others. As a result, all pupils and teachers like him. He is the loveliest teacher at our school. He always says: "We must work hard, and do charitable activities as much as we can."".

"The Land Angel"

"When Teaching Becomes an Artistic Canvas!"

When I was a child, I dreamt about being an English teacher, but what made me think so? Of course, my dear teacher Mr Abdelwahab TAMAOUCHT. I like him because of his eminent career and noble manners.

Mr Abdelwahab attracts everyone's heart in our school. He throws his magical potions everywhere! Therefore, everyone respects him, from workers and administration employees to teachers and even the youngest pupils. He treats everyone in a merciful and thoughtful way. As a teacher, Mr TAMAOUCHT is a symbol of creativity and hard work. He never refuses to help pupils and teachers, and he is also a talented artist in drawing and illustrating ideas to reach our minds.

I really love my teacher, and I want to be like him one day!"
