Level : MS2 ..... Middle School. Duration: 60mn

First name:..... .....

Family name .....

# Second - term test n 2

School year:2017-2018.

Class: 2MS (.....)

I have two arms with two hands. Each hand has five fingers and a joint called a wrist, which helps me move my hand. In the middle of each arm, there is another joint called the elbow, which can help me fold my arm. The top of my arm is connected to my shoulder.

I also have two legs with two feet and two thighs. Between my thigh and my shin , there is joint called the knee. It helps me fold my leg. There is another joint called the ankle, which connects my foot to my leg. The top part of the front of my body is called the chest and just below it , there is my belly “stomach”. The area around it is called the waist.
