Actually, I won a contest and this cruise was the price. I live in Miami so, I did not have to travel at all but I did get to stay at an expensive hotel for a night. Oh! And I saw Madonna there. She was in the same hotel. I have to enjoy the hotel activities, I even tried the hotel activities, I even tried wind surfing. However, I did something stupid; I took my wallet with me and almost lost it. I really enjoyed this trip, though I have been a little seasick, I will remember it forever. I even kept a diary this whole time so that I can tell my friends all about it.
