The second term test

Eating in China

I am Lin , I am Chineese. Today , I am going to tell about food in my country China . Chineese food is really delicious, and healthy, we give a great care to food and the mealtimes. We usually stop whatever what we are doing when it is time for a meal.we don't go anywhere before breakfast which is between 7.00 and 8.00, it is usually soya, beans, milk, rice, noodles.

Lunch time is around 12.00 to 14.00, the menu is very simple, noodles or rice plus some meat and vegetables and fruits. Dinner is around 20.00 pm , it includes soup, meat vegetables and rice,we use a common big serving dish, we use chopsticks instead of spoons.

We think it is rude to start eating before the oldest person , we avoid also eating in front of a non-eating person.
