TEXT

Hello, my name is Adamou Fafana. I am 13, I'm from Niger and I go to middle school in the capital Niamey.

I'm a boy who is fond of birdwatching. This is what I like most. I love reading about birds. At weekends, dad always takes me to the Niger River to watch migratory birds, like flamingos, storks and wild geese. I can watch them for hours, and I never get bored. I think all animals should be respected.

My biggest quality that keeps me closer to others is that I'm cool. Birdwatchers must be patient and relaxed. I'm not the nervy type of person at all. My friends think I'm shy but I don't think so. I can be very sociable.
