Dear Karim

My house is in the middle of the city. It is between two big buildings. There is a hospital on the left and a mosque on the right. Sam is my best friend, his house is opposite mine. We like playing together in the backyard of his house. We always go together to school. On my way home, I buy some candies from the super market. It is not too far. It' is just behind Sam's house.

Yours Youcef
