The text:

Rehahla Soujoud Ritage, the Algerian child won the International Mental Calculation Competition First prize. The competition was organized in Taiwan, 2022. Soujoud Succeeded in solving 500 calculation. She defeated 100 competitors from 30 countries, among them was China, Japan and U.S.A.

Soujoud is 11 years old. She is from the Algerian east exactly Setif. She is a pupil. The girl is very smart, active and perseverant. In a TV interview, she claimed that her success was not easy, she followed a program to improve her mental skills. Soujoud is a disciplined girl.

The small princess memorized Qur'an at a very young age. She can speak Arabic, English and other languages fluently. Soujoud said that Qur'an is the secret of her intelligence and success. Qur'an empowers her memory, improves her language and gives her power and peace. Soujoud is not interested only in Maths, but she loves reading too. Recently, she participated in the Arab Reading Challenge qualifications and she was chosen to represent her country Algeria in Dubai.

The Algerian prodigy proved that Algeria is full of genius people, they just need a chance to shine.
