TEXT :

My first trip to Paris was a remarkable experience **which** I will never forget. I booked the Dover-Calais Ferry and drove with my wife from London in the cold Christmas weather. It was a great feeling to arrive in Paris and see the city of light ; a modern city with a very deep sense of history. I will never forget when I first drove through, passing canals and seeing the monuments. It was like a huge open-air museum. It was love at first sight. **(1 §)**

I was fascinated seeing the famous landmarks and tasting the French food. We started our first journey there with a visit to the Opera House and we walked towards Place de la Concorde. We had lunch in a traditional restaurant in a street very close to the Champs-Elysées. We parked close by, so that I could watch my car easily. We ordred soupe à l'oignon, beef bourguignon and chocolate soufflé. The dishes were so tasty. The next morning, we walked around the small town. It was Christmas and all the shops were closed. **(2 §)**

We stayed in Paris for ten days **where** we had a fantastic time. I loved everything in Paris about this romantic city and vowed to never hesitate to come back to experience it again and again. But I promised myself that I would learn the French language. **(3 §)**
