The second Term Test

full name: ..... class: **3ms** ....N...

THE MAN behind " MICROSOFT"

Hello! My name is William Henry Gates. I was born in Seattle (The USA), on October28th, 1955.My mother was a housewife and my father was a lawyer. I am a business magnate, investor and a philanthropist (a helper).

I was a brilliant student. It was at Lakeside where I met my future business partner Paul Allen. In 1973, I attended Harvard University, but after two years I dropped out from Harvard to start a software company with Paul Allen called " Microsoft". Few years later, I introduced new "Windows Office Programs" such as "WORD " and " EXCEL" .In 1986, I became the richest man in the world .

A-I read the text and complete the table below

Name	Place of birth	Father's job	University	Company
Henry Gates				

B – I read the text and answer the questions

When was Gates born?

.....

Was his mother a nurse?

.....

Which university did he attend?

.....

C- I find words that are closest in meaning to :

Pupil = ... begin = ...

-I find words that are opposites to:

Died ≠ ..... before ≠.....

Masrety of Language

I capitalize and punctuate where necessary :

kamel toumi is an algerian inventor who created the fastest robot in 1983

.....

I join the two parts of the sentences using " who" or " which" :

"Word" is a computer program. / It helps in editing texts .

.....

Prof . Haba is an Algerian inventor./ He lives in the USA.

.....

c- I classify the words according to the pronunciation of the final "ed"

graduated – worked – played – invented

/t/	/d/	/id/

PART TWO /: WRITTEN EXPRESSION

I use the ID card below to write a short biography about " Professor Haba"

Full name : Belkacem Haba
