Hello there, my name is Yasser. I am 13 years old and I live in Jijle. My best friend is called Adam. We are classmates and pupils at the middle school. After class, we always go to the American center because we enjoy learning and practicing English language with native speakers. I am sociable, active but very talkative person. I'm keen on practicing Karate, football and jet skiing, but Adam dislikes all types of sports. I can fix things but I can't draw. Adam prefers reading short stories and watching films.
