Third Term English Exam	Time:1h30

Dear Steve,

Summer's here. In Algeria, we get about three months holidays . I'm so happy. I got my school report and I worked well. My best mark is at mathematics. I really like this school subject. In the future, I would like to be an architect. And you? What would you like to be?

I'm going to the beach, and in August, I'm going to visit Rome with my family. We're going to stay for about two weeks. We're going to visit all the famous tourist sights like the Colosseum, St Peter's and the Trevi Fountain. I'm going to throw a coin and make a wish. We're going to taste the wonderful Italian pasta. I'll send you some photos. What about you? What are you going to do next holidays?

Best wishes
Amir
