The second term English Test

Text :

The prophet Mohamed (prayers and peace be upon him) was born in Mecca in the Provence of hedjaz in the year of the elephant (El-feel). His father died before he was born and his mother died when he was still a child. He lived with his grandfather and later with his uncle.

Mohamed peace be upon him won a good reputation for his justice and honesty on his busniness missions for Khadija , a rich woman that he married later. At the age of 40 ,while he was praying in Hira Cave, he received the revelation through the Angel Gabriel who told him that he was the prophet of Allah.

Thirteen years later, the prophet Mohamed (peace be upon him) ordered his companions to leave Mecca and to go to Medina. He travelled with his friend, Abu Baker. Their enemies tried to stop them but they did not succeed. This long and difficult trip called the Hijra. The prophet and God's messenger, Mohamed (peace be upon him) died in 632.
