First Term English Exam

My name is Tom, When i was younger , i used to go to primary school. When the weather was fine, i used to go there by bike. When it Rained, I went by bus. We studied different subjects like English , Maths history, and geography. We didn't use to manipulate computers because they didn't exist at that time . After school , I used to play marbles with my friends in the street. I used to go to a club where I learnt the piano. At weekends , I used to visit my grandparents.
"I really miss that time".
