The text:

Last weekend Sara's husband Mark went to the supermarket to do the weekly shopping. Before he left, her wife made sure she gave him the long list of groceries he had to buy. If he doesn't have a list, he will end up forgetting to buy a lot of things. Once he arrived at the supermarket, he parked the car, took a shopping cart, and started shopping straight away. **(§ 1)**

The first things on the list was a head of lettuce, a bunch of carrots, a cluster of grapes, a tin of tomatoes and a bag pasta. Then he went looking for two packets of cereals, a jar of strawberry jam, and a tray of eggs. He then went over the fridges and picked up a slice of Swiss cheese, a stick of butter and a tub of fresh cream. He remembered that they needed a bottle of olive oil and three bars of soap. After feeling thirsty, he picked up a few cans of soda and a carton of orange juice. **(§ 2)**

Looking at the list once again, he still needed to pick up a packet of cookies for tea, and a nice loaf of bread, a tube of toothpaste and a bottle of shampoo. Once he finished, he felt a bit hungry, so he chose a bar of chocolate, and a packet of crisps to eat on the way home. **(§ 3)**
