Jennifer Bricker, an American acrobat , was born without legs, and her parents abandoned her. She was then adopted by the Brickers, who taught her not to say "I can't." As a child, Jennifer was active in sports and decided to do gymnastics seriously. And at the age of 11, she won the Power Tumbling Championship in Illinois and was ranked the 4th at the Junior Olympic Games.

She was fascinated by the American gymnast Dominque Moceanu, the gold medal winner at the 1996 Olympics. And at the age of 16, Jennifer discovered that her idol was actually her elder sister. And Jennifer reunited with her biological family. Later she participated in the Britney Spears Circus Tour.

Her history is detailed in her memoir *Everything Is Possible: Finding the Faith and Courage to Follow Your Dreams*, which was a *New York Times* bestseller.
