Text: ***The Dog and The Shadow***

One day, a butcher threw a piece of meat to a hungry dog, so he carried the prize in his mouth and hurried as fast as he could to eat it in peace at home. On his way he had to cross a bridge over a stream. As he was crossing, he looked down and saw his own reflection in the quiet water. But the greedy dog thought that was another real dog carrying a piece of meat much bigger than his own... He waited a short moment and made up his mind to have that also, so he sprang at the dog in the river, but as he opened his mouth the piece of meat fell out, dropped into the water and was lost. The dog found himself swimming for dear life to reach the shore.

At last, he managed to get out of the water, and as he stood sadly thinking about the good meat that he lost. He realised what a stupid dog he was and that was very foolish to be greedy.

There is enough in the world for everyone's need, but not enough for everyone's greed. Those who want more than belong to them, just deserve to lose what they have. He that thinks he sees another's property in a pack or a box , and hurries in the pursuit of it, should not regret if he finds himself a beggar in the end.
