اختبار الفصل الثّاني

Text:

Life without aim is useless, aimless and pointless. It should be spent on a purpose with well-defined and fixed objectives to achieve in life. If they are linked and associated to ambition and strong desire for success, they will give you the direction for a suitable career and motivate you to move forward.

To be a successful person, you need to determine your future plans and work hard to fulfill your dreams though you will overcome many obstacles and challenges. Success depends really upon your efforts. If you work hard, you will succeed. if you don't make efforts, you will never feel the pleasure of success. If you think about it, explore questions about the future you want and stop thinking about the past and focus on your prospects and goals, you will find your passion and you will start feeling proud of what you are good at.

You are now middle school learners and exam season is around the corner. Start by working to succeed in the BEM exam and make it possible for you to put the first step in your future life career. Trust yourself, make efforts, stay committed to your studies and think positively certainly, you will succeed and be a good citizen full of refined qualities and good values. you will be the torchbearer of the country.
