THE THIRD TERM TEST

Hi! My name is Maria and I'm a ten year old student. I'm on the 6th grade and I like school a lot. This is my new school. It's a big school for **boys** and girls. There are 700 pupils and **lots** of teachers too.

Upstairs, there are many classrooms, **bathrooms** and a library. The computer room is next to the staff room. Downstairs, there is the canteen where pupils have lunch and the principal's office. Outside, there is the gym. It's behind the school. And my favourite: a large playground. I usually spend my school **breaks** playing football.

My favourite subject is Geography because I like to learn new things about the world. I like P.E. and French too. My teachers are really nice and helpful.
