The Second Term Test n°1

Text:

Hi Tina! How are you?

I just had a look at our photo album when we were kids. **It** reminded me of our childhood and the impressive time we had together. Do you remember when we were kids?

Dad used to take us to the pet store every weekend. [We used to buy food and toys for our pets]. [I had a pet fish]. **Her** name was Flash and you used to have a pet cat. You named her Minou.

We enjoyed looking at the parrots and the puppies. Mom used to help us taking care of our pets. You loved the beach a lot. You used to build sandcastles, sunbathe and surf very well. I didn't use to come with you, I used to stay at home and prepare a delicious meal for dad, mom and you. But when I was older, let's say 20, I could swim. I used to play the saxophone but you didn't use to love music. You preferred sports. You used to play shot put and I played bunting throw.

You loved winter a lot because you used to practise skating but I preferred staying at home and chatting with friends. Things have changed but memories remain. When are you going to visit us? It has been a long time since we last saw you.

Take care,

Jack
