اختبار الفصل الثالث في مادة الانجليزية

*Two years ago, Willow Lake was dirty and polluted. Nobody wanted to visit it. People came to the lake to throw away the rubbish. Then, a group of local people decided to clean it up. Forty eight volunteers helped .**They** worked in the evening and at weekends for eight months .When they cleaned the lake ,they found four bicycles, ten shoes, three computers and three wheels from a car .*

The group planted 75 trees and more than 500 flowers around the lake . "We have tried to make a beautiful environment for the local people" ,explains one volunteer. "By doing this, we have also created a habitat for wildlife". Now that Willow Lake is clean again ,there are 24 ducks and 12 swans that have made it their home .There are a lot of fish ,birds and other animals living there too.

The volunteers have put 20 wooden tables and chairs around the lake . Now local people can walk around the lake and have a picnic."There are also a lot of bins" ,explains another volunteer ;so please ,don't throw your rubbish in the lake as before ."It's fantastic ",says one local resident. "They have changed the lake completely" ." I come and enjoy it every day ".
