FIRST TERM TEST № 2 (MS3)

Name:…… Class: 3AM……

☼MY BELOVED GRANDPARENTS☼

Today I'm going to talk about the most lovable persons in my life; my "Grandparents". **They** are the oldest members of the family. They are the most influential persons in everyone's life. They care for us and love us endlessly. They hold a special place in our hearts that no one else can take.

My grandmother is 65 years old. Her name is Aicha. Her hair turned grey but still has a young heart. She's very caring. She gives love and tenderness to everybody. She has the greatest smile in the world. She offers me sweet things and comforts me in bad times. She also adores telling stories at bedtime.

My grandfather is also a special man. His name is Adem. He's 70 years old. He is an independent man. He's generous, joyful and friendly. He likes receiving guests in his lovely farm house. **He** loves watching news channels. He cultivates his own vegetables and fruits. My grandma always prepares delicious dishes; they never eat out; they prefer homemade food because it is healthier.

My grandparents teach me many things; they are my guides, my teachers and my friends. I learn a lot when I'm in their company. They have both inner and outer beauty. They always do their best to keep our family safe and unified. They are our guardian angels!
