It is located exactly in Paris and it is 324 meters high. It was built by the Architect Gustave Eiffel in 1889. It is fascinating and huge. Then, we wanted to see Big Ben. Therefore, we took a cruise ship and sailed to London. We visited the House of Shakespeare who is a prominent figure in the English literature. He was born on April 23rd , 1564 in Strafford Upon-Avon, England. William Shakespere was a writer, poet and a playwright. He wrote a famous play called "Romeo and Juliet". He died on April 26th 1616. After that, we took a train to Rome the Capital of Italy to s the Roman Architecture.

We visited the Pisa Tower, which is a wonderful and famous landmark in Italy, and it is located Exactly in Rome. It is 60 meters high. So, it is not as tall as the Eiffel tower.
