Text:

Hello, I am Rachel Stuart. I'm thirteen years old middle school pupil. I live with my parents in Manchester, England.

At the week-ends, I always go to the local pool to take swimming classes. I'm also keen on being around animals, horses are my favorite ones. I always go horse-riding, in my free time. At school, we have music classes on Mondays; we usually learn to play the piano and sometimes the guitar. I can play piano very well, but I can't play the guitar. It's a bit difficult.

My best friend is Amy; she is polite, friendly and smart. Amy loves to chat, when I am with her. I let her do all the talking. I only listen and smile because I am a calm girl. I Love Amy. We have so much fun together. I wish that we stay friends forever.
